3 SUMMER PRECEPTOR WEBINARS

Each webinar is a FREE, knowledge-based, course for pharmacists.

JUNE *Only 12 Seats Remain*

Generational Differences and the Possible Impact on Experiential Education in Pharmacy 0.1 CEUs

Date: June 17, 2014

Time: 12:00 to 1:00 pm CST

Presented by: **Lynn Stevenson, PharmD, BCPS**

Director of Experiential Learning & Assistant Clinical Professor
Auburn University Harrison School of Pharmacy

Objectives:

- Describe general differences in the last 4 generations
- Discuss how these differences can impact learning styles
- Relate differences in learning styles to experiential education in pharmacy

ACPE UAN 0096-0000-14-030-H04-P

JULY

Interprofessional Collaborative Practice: Are you training students to practice in expert teams or teams of experts?

Date: July 17, 2014

Time: 12:00 to 1:00 pm CST

Presented by: **Jennifer Danielson, PharmD, MBA, CDE**
Director, Experiential Education & Introductory Practice
Assistant Professor

University of Washington School of Pharmacy

Objectives:

- Discriminate between interdisciplinary and interprofessional practice.
- Distinguish activities and responsibilities that students from multiple professions can do in a practice site to encourage teamwork and shared decision making.
- Organize a plan or schedule that facilitates interprofessional interaction across professions within your practice site.
- Relate potential assessment tools for interprofessional collaborative practice to currently used experiential education evaluation and assessment methods.

ACPE UAN 0096-0000-14-033-H04-P

To Receive CPE Credit: Attend the program, complete the assessment, and complete the program evaluation form including your NABP eProfile ID.
